

## Operation Bobcat

National BSA studies show, boys that earn and receive their Bobcat badge within the first few weeks of joining Cub Scouts stay in longer than those that don't. With this in mind the Yocona Area Council announces the 2<sup>nd</sup> annual *Operation Bobcat!*

From September 1-December 15, all Bobcat advancements received at the Council Service Center on properly recorded advancement reports will be filled, free of charge. Badges will be given or mailed to top unit leader on record for presentation at the next pack meeting.

All fall Yocona Area Council Cub Scout events will have sessions to help boys earn their Bobcat. This includes Shooting Sports Days, Cub Family Weekends and Winter Cub Yocona.

Help your boys at the very start of their trail in Scouting. We want 100% of our new Cub Scout recruits earning Bobcat by December 15th.
