2019 Yocona Area Council
Cub Scout Resident Camp
Guide Book
Dear Leaders and Parents,

Welcome to Cub Yocona! 2019 – “Scouting Around the World”. We are going to explore the different cultures, food, and music from around the world! We have lots in store for this year’s camp, and hope this Leader’s Guide answers any questions you may have.

Our Goal: To provide a safe haven for each Cub Scout amid a beautiful outdoor setting. These fun-filled days spent at camp will make memories that last a lifetime. We plan to help each of our youth advance down the Cub Scout Trail.

This guide was assembled and organized to help you plan a successful summer camping experience for each youth in your Pack. As you will see, there is truly something for everyone. Every youth is welcome at Camp Yocona, and in fact, they are why we are here, standing ready to help you in your summer camping efforts. We hope each of the youth in your Pack gets every opportunity to attend camp this year.

We encourage you to get fully involved in this year’s theme: Scouting Around the World. We will have special events and advancement opportunities.

We look forward to seeing you. We are trying to work with all of the school schedules so all kids can attend. Remember the dates for camp are:

Sunday, June 23rd – Wednesday, June 26th

Note: One campsite will be reserved for Girls and the adult women leaders (Separate cabins for kids & adults). They can still interact with their packs during the day.

Nature provides us all with a sense of wonder at times, and it is never truer than when spoken of a young person. Wherever you go, there will always be a new and completely different wilderness to explore, full of whatever your imagination can place in it. The more we learn about our natural world, the more wonders open to us. Come join us at Camp Yocona to celebrate our wilderness, and learn a little bit about the things that live around us.

**Basic Overview**

Participants will eat meals, perform flag ceremonies, attend morning and night activities and share a campsite with their Pack. The rest of the day, the participants will be divided into four different DENS by rank.

**Remember rank is what they will be in the fall, not what they were last year. If you just finished 1st grade and were a Tiger, at camp you will be a Wolf.**

We will use the following groups as DENS:

- Tigers (upcoming 1st graders. **All Tigers must have a parent sign-up and attend with them**)
- Wolves (upcoming 2nd graders);
- Bears (upcoming 3rd graders);
- Webelos and Arrow of Light (upcoming 4th graders and 5th graders).

Any leaders or adults with your Pack should be equally divided between your Pack’s participants and go where you are most needed during rank program time. Each group will have a **Staff Leader**. This will be a staff member who will go around with them to all their afternoon activities and to make sure everyone is going in the right direction. They will be responsible for each participant’s whereabouts at all times, and may need additional “volunteer” help. The cubs will break into their groups each afternoon after lunch. Activity areas will be run by at least one staff member. Other adults in the group will be there to help the activity leader if needed. The activities will be games, crafts, advancement, waterfront, and shooting sports. We will have a different Night Activity each evening.

**Electives**

The purpose of resident camp is fun in the outdoors. Participants that attend Cub Yocona are more likely to remain in Scouting. While advancement is not the focus of summer camp, many opportunities for advancement take place. Our program schedule includes new Cub Adventures, and Webelos Achievements. As part of achieving National Standards, The program for Webelos offers more challenges than the program for Cubs.
PROMOTION

Laying the foundation for a successful summer!

The most successful units see most of their members attending summer camp each year. How do they do it? Through proper planning and promotion, of course! The Cub Master or Den Leader, working with the pack committee, should plan to promote camp at a meeting when the majority of parents can attend. We recommend that promotions be between February and April.

The Pack is the main source of information for Cub Scouts & their families on what camping opportunities are available. If the Pack does not make the information available to the Cubs and their families, they are unlikely to be aware such opportunities exist.

What can the Pack do to promote the camping program?

- Assign one leader to handle camp promotion and paperwork
- Distribute the Cub Camping Flyers provided at District Roundtables
- Actively encourage Cubs to attend camp
- Invite Cub Camping Committee members to make a presentation to your Pack
- Organize a meeting to inform the Cubs and their parents of the opportunities available
- Recruit leadership to accompany Cub Scouts to camp
- Hold fundraising opportunities to help the Cubs raise money for camp (camp card sales work well for this type of fundraising)

This individual should be responsible for online registration at www.yocona.org, which is encouraged. For print registration, leaders must submit a copy of the Pack, Personal, and T-shirt order forms.

This year, we will be accepting Cub Scout registration for up to 200. If a significant amount more register, a second session will be opened. Proper planning is the key. Please use the next few weeks to coordinate these guidelines with the families in your Pack.

WELCOME TO CAMP

CHECK-IN

Packs should plan to arrive at camp on the first day of their session between 1:00 & 3:00. Early arrivals are discouraged and check-in will not begin before 1:00 p.m. Your unit will be assigned a check-in time by campsite.

Only Packs with all campers (adults and participants) present and the proper health forms will be allowed to check in. Please make prior arrangements with the camp director if you know you will have late arrivals. Car-pooling is encouraged as we have limited parking spaces.

1. Once you arrive at camp, send one leader into the Administration Building for final registration. Bring with you all completed health forms for each person, all medications, and any remaining fees. Please leave the participants outside the building with a leader or adult from your Pack. They will not be allowed past the Administration Building until the check-in process is complete. You will be assigned an attendant to help you through the check-in process.

2. Next you will proceed to the Health Lodge for Medical Check. Make sure to have medications individually wrapped in a Ziploc bag for each person with their name and pack number clearly written on the bag.

3. Then, you will proceed to your Campsite. Please unload your gear as quickly as possible. If you find minor repairs needed, please tell the attendant.

An armband will be given to the Cub Master for each camper (youth and adult) at Check-in. This not only shows us that you are a participant of camp, but will also act as your meal ticket. Please wear them at all times. It is a good idea to write with a permanent marker on each child’s arm band their name, Pack number, and campsite. We will try to make the check-in go as quickly as possible. Please help us by having all paperwork and other items organized before arrival.

VEHICLES AND PARKING

Each unit is responsible for the safe transportation of its members to and from camp and to make sure that all vehicles meet BSA Insurance requirements.

Parking is provided at the camp entrance for leaders and visitors. Vehicles must be left in the parking lot at all times. The only vehicles allowed to operate within the camp proper are the vehicles authorized by the Camp Ranger and Camp Director. One unit trailer may be kept near the campsite with prior approval.
CAMP SITES

Packs will camp together as a group. Each Campsite has cabins with bunks that can sleep 8 people. The cabins are equipped with lights, electrical outlets, and a fan. Each site has a bathhouse with flushable toilets, private showers, and sinks. There will also be a picnic table and fire ring at each site. Campsites will be assigned by the size of the Pack. You may share your site with another Pack. Packs are in charge of keeping and leaving their campsite and cabins clean.

QUARTERMASTER

In addition to what is in the campsite, the camp provides equipment through the Camp Quartermaster. Items such as brooms, water hoses, cleaning agents, tools, and American flags are available for checkout. These items must be returned clean and in good condition before the pack can check out. Packs are welcome to bring their own items (as listed) from home.

LEADER’S MEETING

There will be a Leader’s Meeting on Day 1 of each camp session at 5:00. Each Pack needs to send at least one Leader to this meeting. If needed, other meetings may be scheduled.

FLAG CEREMONY

We will meet at the flagpole each morning to raise the Colors and to do the Pledge and Oath, and each evening before supper to lower the Colors. Packs will stand together for this. Please make sure that your group is on time, and behaves in a respectful manner. If you would like your Pack to perform a ceremony, please let the Program Director know.

MEALS

Meals are served in our camp dining hall each day. Professional cooks prepare breakfast, lunch, and supper so your Cub’s attention can be on fun. Menus are balanced for the needs of Cub-age participants and are approved by a certified dietician. Your meals will start on the first day with supper and end on the last day with breakfast.
Each Pack will have an assigned table or tables in the dining hall and the waiter system will be used for setting the tables and cleaning up after the meals. Please make a rotation of your cubs for the jobs needed at each meal. **It is important for at least one adult from each Pack to arrive early and stay after each meal to help accomplish these tasks.**

It is our responsibility to keep the dining hall area clean. These tasks include sweeping, mopping, emptying of garbage and liquid buckets, to name a few. (A full list of duties will be given at the Leader’s Meeting.) If everyone helps, it can be done quickly. Please have your area checked before leaving.

**Please contact the Camp Director in advance if you have any special dietary needs.** We will do the best we can in accommodating these needs with the food we have available. Dietary supplements should be brought from home for specific dietary requirements.

**Extra Meal Costs**

Sometimes Packs have an extra leader or visitor for only a few meals. Extra meals must be coordinated with the camp office in advance so that arrangements may be made. Costs for extra meals are **$5.00.** Payments for visitor meals must be made in the Administration Building.

**UNIFORMS**

Pack leaders are encouraged to work with their Cubs to assure proper uniforms for camp. Only appropriate Scout hats should be allowed. Consult the *Insignia Guide* for proper placement of patches or other insignia.

Uniforms should be worn to the evening flag ceremonies, and to Campfire. Use your time at camp as an opportunity to properly uniform your Cub pack. Registered leaders should also be in Class A uniforms at the proper times.

**LEADERSHIP**

All Units are required to have at least **2** adult leaders or parents in camp at all times. Each chartered unit that completes a Family Friends of Scouting presentation by May 3 will receive two free leaders to camp.

**DISCIPLINE**

Use positive comments to motivate the participants in your group. **BSA policy states that it is unacceptable to use physical punishment or humiliation as forms of discipline.**
Be fair and be consistent. Ask another leader or camp staff member for help if needed. Physical punishment is not acceptable, even to your own child. Youth Protection Guidelines state there is no one on one contact between leaders and scouts.

**BUDDY SYSTEM**

Establish a buddy system to be used at all times during camp. This means that participants pair up and stay with that buddy. No youth should ever be away from their campsite wandering around the camp alone. Should you encounter a lone scout, take the time to inquire where their buddy is. When traveling through the camp, make sure that no one enters another campsite unless invited.

**HEALTH AND SAFETY**

Camp Yocona operates a Health Lodge that is open 24 hours a day and is manned by staff members trained in handling minor accidents and illnesses. In case of an emergency, scouts or leaders will be transported to the hospital in Tupelo. The Health Lodge is located directly behind the Administration Building.

If a Cub or Leader has any special medication, it is required to be turned in to the Health Officer at check-in. Each scout or leader’s medication should come in a separate Ziploc bag with their name and pack number clearly written on the bag. The Health Officer will be responsible for dispensing the medications.

Please be sure to bring a completed Annual Health and Medical Form for each ADULT AND BOY attending resident camp with your Pack. This form MUST be turned in at Registration on Day 1 of camp session. No person will be allowed at CubYocona without this completed form. The form is located in the appendix.

**FIRE SAFETY**

Camp Yocona has a fire and emergency alarm system. This system will be explained at the Leader’s Meeting on the first evening you are in camp, and a test of the system will be conducted early in the session.
**TRADING POST**

The Trading Post is located in the middle of camp and stocks a variety of items, such as camp memorabilia (patches, mugs, t-shirts, etc.), program supplies and concession items. We will have the Trading Post open throughout each day.

Participants will need to have money for the Trading Post and must come with a leader. Recommended spending money for each boy is at least $40.

Knives may be purchased by any adult in the Trading Post. A scout can purchase knives as long as they have the Whittling Chip card and a parent or adult leader present. No knives will be sold to any scout who is NOT accompanied by an adult.

**LOST AND FOUND**

A central lost and found area is located at the Trading Post. If you lose something during the week, please check there to see if it has been turned in. To make it easier to recover lost items, scouts should clearly mark their personal possessions with their name and pack number.

**VISITORS/MAIL**

Each visitor must register at the camp office and obtain a Visitor Armband. All visitors must depart camp no later than 10 p.m. Exceptions to this policy must be discussed in advance with the Camp Director.

It may be easier to have mail intended for campers brought to camp with the pack leader for distribution during the session. However, please keep in mind that sometimes, a note from home may bring on a case of homesickness and sometimes it is just what a scout needs. Please include camper name and pack number on all correspondence. The mailing address for camp is:

Camp Yocona  
878 Boy Scout Road  
Randolph, MS  38864

NOTES TO THE CUB LEADER

An e-mail will be sent to each Cub Master detailing what each boy earned at camp. If you do not receive an e-mail, or if you do not have e-mail, please contact the Scout Service Center at 842-2871. Be sure to check with your Cub Scout to ensure that he completed all the activities listed. Some activities will be set up at different times apart from the regular rotation (night activities for example), and it is up to the cubs and their leaders to do them. Also remember it is up to the Cub Master and Pack to turn in advancement forms and payment to the Council Office after camp is complete to receive the awards earned.

On the last day, after the Closing Program, each Pack needs to have one adult supervise the cleaning of the campsite to ensure it is done properly. You must have your campsite checked before leaving the camp and everyone must be out by noon. Please follow the check-out procedure listed in your cabin.

Please remember that lunch will not be served on the last day. You will need to make arrangements for your Pack to eat lunch on the way home.

Packing Tips

A daypack (book bag) is recommended for each person at camp to help keep things together while hiking around camp from day to day. Keep your Rank Book, pencil, notebook, water bottle, sunscreen, anything you may need in it. An extra gallon-sized ziplock bag keeps those wet swim trunks off the other dry items.

National BSA policy requires that no open-toed shoes be worn while walking on camp property. Sandals can be worn only in the showers.

Crocs are not advisable to wear as camp shoes! Please bring tennis shoes.

Scouts bringing a footlocker or locking suitcases should bring an extra key and give it to their leader. That way, if one key is lost, the spare one will be stored safely.

With the heat and humidity of Mississippi, it would be advisable to have a change of clothing for each day at camp.

Bring a plastic hanger for your uniform shirt and hang it when it is not being worn. This will help keep it fresh.
